2. Legal basis for the processing of personal data

Insofar as we obtain the consent of the data subject for processing operations of personal data, Art. 6 para. 1 p. 1 lit. a DSGVO serves as the legal basis.

When processing personal data that is necessary for the performance of a contract to which the data subject is a party, Art. 6 para. 1 p. 1 lit. b DSGVO serves as the legal basis. This also applies to processing operations that are necessary for the performance of pre-contractual measures.

If the processing is necessary to protect a legitimate interest of our company or a third party and the interests, fundamental rights and freedoms of the data subject do not override the former interest, Art. 6 para. 1 p. 1 lit. f DSGVO serves as the legal basis for the processing.

3. Recipients of personal data

The personal data of the Palturai web app are primarily made available to the users of the web app. These are customers of Palturai GmbH or its subsidiaries.

Thereby, the types of personal data mentioned in point 1 are partly provided to different recipients within the customers.

User Management:

The Palturai web app works with a client-based user management. This allows the administrator of the respective client to view the personal data of the client's users.

Client upload and tagging:

The raw data is viewable only by Palturai. For users, only a flag is visible in the database when a Palturai record matches a client record. Again, this is only visible within a client.

Data displayed in the web app:

This data is visible to all users.

In addition, various processors may be recipients of personal data if they provide a partial service of the processing operation. Categories of recipients of personal data are in particular:

- Hosting service providers
- Other processors engaged to provide and improve our app.

In addition, it is possible that personal data will be transferred to partner companies of Palturai GmbH as part of the service provision and provision of the app. Recipients within the Palturai group of companies are in particular:

- Palturai Austria GmbH

- Palturai sp. z o.o.

If recipients of personal data are located outside the EU or the EEA, Palturai GmbH actively creates suitable guarantees for legally compliant data transfer to third countries, e.g. by concluding standard data protection clauses in accordance with Art. 46 para. 2 lit. c DSGVO.

4. Data deletion and storage duration

The personal data of the data subject shall be deleted or blocked as soon as the purpose of storage ceases to apply. Storage may also take place if this has been provided for by the European or national legislator in Union regulations, laws or other provisions to which the controller is subject. Blocking or deletion of the data will also take place at the latest when a storage period prescribed by the aforementioned standards expires, unless there is a necessity for further storage of the data for the conclusion or fulfillment of a contract.

5. Possibility of objection and elimination

You can object to the processing of your personal data at any time by sending an informal email to datenschutz@palturai.com. All other rights for you as a data subject, you can also address to this email address. The revocation of consent does not affect the lawfulness of the processing carried out on the basis of the consent until the revocation.

You have the right not to be subject to a decision based solely on automated processing - including profiling - which produces legal effects vis-à-vis you or similarly significantly affects you. This does not apply if the decision

- is necessary for the conclusion or performance of a contract between you and the controller,
- is permissible on the basis of legal provisions of the Union or the Member States to which the controller is subject and these legal provisions contain appropriate measures to protect your rights and freedoms as well as your legitimate interests, or
- is made with your explicit consent.

However, these decisions may not be based on special categories of personal data pursuant to Art. 9 para. 1 DSGVO, unless Art. 9 para. 2 lit. a or b DSGVO applies and appropriate measures have been taken to protect the rights and freedoms and your legitimate interests.

With regard to the cases referred to in 1. and 3. above, the controller shall take reasonable measures to safeguard the rights and freedoms as well as your legitimate interests,
